

02 February

Topics complete edition
Demolition technique I deconstruction I recycling
Building site equipment
Communal and utility vehicles
Concrete drilling and concrete sawing
Waste management I environmental technology
Earth-moving
GaLa construction I pavement construction and road works
Extraction I processing I crushing I screening
Sewer-pipeline construction I sewer rehabilitation
Communal technique
Lifting/hoisting I crane techniques
Machine, vehicle and power engineering
Containers
Shuttering systems I scaffoldings I concrete construction
Special civil engineering I tunnel construction
Road construction I road rehabilitation
Business management
Maintenance/care/repair

Dates

Deadline: 10.01.
 Closing Date: 16.01.
 Used Machinery Market: 23.01.
 Publishing date: 02.02.

Trade fair issue

Baumag, Luzern (CH) 21.02. – 24.02.
 Viatic, Bozen (I) 21.02. – 23.02.
 LogiMat, Stuttgart 19.02. – 21.02.
 GeoTHERM, Offenburg 28.02. – 01.03.

03 March

Preliminary report

increased edition: 22.500 units

Dates

Deadline: 06.02.
 Closing Date: 13.02.
 Used Machinery Market: 20.02.
 Publishing date: 02.03.

04 April

Main edition

increased edition: 30.000 units

Dates

Deadline: 13.03.
 Closing Date: 18.03.
 Used Machinery Market: 26.03.
 Publishing date: 08.04.

Trade fair issue

bauma, Munich 15.04. – 21.04.
 Usetec, Cologne 22.04. – 24.04.
 IBF, Brünn (CZ) 23.04. – 27.04.
 Autostrada, Kielce (PL) 21.05. – 24.05.

05 May

Review

increased edition: 22.500 units

Dates

Deadline: 02.05.
 Closing Date: 07.05.
 Used Machinery Market: 15.05.
 Publishing date: 25.05.

06 June**GaLa construction I pavement construction and road works**

- Accessory equipment
- Paver • Small devices and tools
- Compact engine and compact vehicles
- Paving laying technique
- Slicing and separating machinery
- Road rehabilitation
- Recycling plants
- Compost works

Building site equipment

- Shutoff devices • generators
- compressors • lighting technology
- signalling technique

Maintenance I care I repair

- Filter technique • wearing parts
- Machine and vehicle maintenance
- Mobile garages
- Lubricants and oils

Communal technique

- Equipment racks and vehicles
- Machines and accessories
- Cleaning technology
- Equipment

Machine, vehicle and power engineering

- Filter technique **OEM**
- Hydraulic accessories/components
- Running gears and tyres
- Motors/ gear units/ axles/ breaks
- Lubricants and oils

Communal and utility vehicles

- Vehicle equipment
- Fleet management
- Dumper/ unwinder
- Trucks and superstructures
- Navigation
- Garages
- Equipment/accessories

Dates

Deadline: 29.05.
 Closing Date: 07.06.
 Used Machinery Market: 12.06.
 Publishing date: 19.06.

Trade fair issue

demopark, Eisenach 23.06. – 25.06.

07 July**Lifting/hoisting I crane techniques**

- Safety rails • Automobile cranes, truck-mounted cranes and loading cranes • Tower cranes
- Ropes, winches
- Control systems
- Scissors/working platforms
- Forklifts/telescopes
- Material/ passenger lifts

Shuttering systems I scaffoldings I concrete construction

- Shuttering systems
- Work scaffoldings
- Equipment and accessories
- Concrete pumps • Mixing plants

Concrete drilling and concrete sawing

- Drilling and sawing technique
- Fugue cutter
- Equipment and accessories

Business management

- Rent
- Insurances
- Financing
- Leasing

Containers

- Site containers, living containers, office containers
- Modular systems
- Rapid assembly halls

Communal and utility vehicles

- Anti-theft protection
- Tie-down • Tipper
- Flat bed trailers/trailers
- Transporters
- Equipment and accessories

The Branch Specialist

Special Issue

**Dates**

Deadline: 27.06.
 Closing Date: 03.07.
 Used Machinery Market: 10.07.
 Publishing date: 20.07.

08 August

Road construction / road rehabilitation

- Asphalt mixing plants
- Building site equipment
- Concrete finishers and traders
- Soil processing
- Filling material/geotextile
- Fugue cutters • Road sweepers
- Noise protection/ developement
- Recycling plants • Spraying machinery • Tractors
- Compression technology
- Equipment and accessories

Earth-moving

- Dumper • Grader • Hydraulic excavator • Machine control
- Wheel loader • Caterpillar
- Wearing parts
- Equipment and accessories

Sewer-pipeline construction / sewer rehabilitation

- Accessory equipment
- Construction pumps
- Sewer construction laser
- Pipe camera • Suction dredgers
- Sewer pipes • Tube lining
- Slicing and milling machinery
- Special machines
- Shear wall systems
- Compression technology

Special civil engineering / tunnel construction

- Processing plants • Drilling technology – horizontal/vertical
- Trench-free building
- Piling devices and pullers
- Special machines / vehicles
- Blasting • Support frames
- Propulsion technology
- Equipment and accessories

Communal and utility vehicles

- Vehicle equipment
- Fleet management
- Dumper/ unwinder
- Trucks and superstructures
- Navigation • Garages
- Equipment/accessories

09 September

Extraction / processing / crushing / screening

- Accessory equipment
- Drilling technique and blasting practice
- Conveyor belts / cover hoods
- Track-type excavators, wheel loaders, dumpers
- Cable and floating dredgers
- Equipment and accessories

Demolition technique / deconstruction / recycling

- Demolition machines/robots
- Hydraulic hammers
- Scissors/ tongs/ pulveriser/millers
- Recycling plants/separation technique
- Equipment and accessories

Project »Environment«

- Motor technique
- Emission standards
- Filter systems
- Geothermal energy - drilling
- Renewable energies

Waste management / environmental technology

- Processing technique/ separation technique
- Wood shredder plants
- Industrial and recycling handling machines
- Machines and units

Containers

- Site containers, living containers, office containers • Modular systems • Rapid assembly halls

Communal and utility vehicles

- Anti-theft protection
- Tie-down • Tipper
- Flat bed trailers/trailers
- Transporters
- Equipment and accessories

10 October

GaLa construction / pavement construction and road works

- Accessory equipment
- Paver • Small devices and tools
- Compact engine and compact vehicles
- Paving laying technique
- Slicing and separating machinery
- Road rehabilitation
- Recycling plants
- Compost works

Communal technique

- Equipment racks and vehicles
- Machines and accessories
- Cleaning technology
- Equipment

Lifting/hoisting / crane techniques

- Safety rails • Automobile cranes, truck-mounted cranes and loading cranes • Tower cranes
- Ropes, winches
- Control systems
- Scissors/working platforms
- Forklifts/telescopes
- Material/ passenger lifts

Concrete drilling and concrete sawing

- Drilling and sawing technique
- Fugue cutter
- Equipment and accessories

Machine, vehicle and power engineering OEM

- Filter technique
- Hydraulic accessories/components
- Running gears and tyres
- Motors/ gear units/ axles/ breaks
- Lubricants and oils

Communal and utility vehicles

- Vehicle equipment
- Fleet management
- Dumper/ unwinder
- Trucks and superstructures
- Navigation • Garages
- Equipment/accessories

11 November

Road construction / road rehabilitation

- Asphalt mixing plants
- Building site equipment
- Concrete finishers and traders
- Soil processing
- Filling material/geotextile
- Fugue cutters • Road sweepers
- Noise protection/ developement
- Recycling plants • Spraying machinery • Tractors
- Compression technology
- Equipment and accessories

Earth-moving

- Dumper • Grader • Hydraulic excavator • Machine control
- Wheel loader • Caterpillar
- Wearing parts
- Equipment and accessories

Sewer-pipeline construction / sewer rehabilitation

- Accessory equipment
- Construction pumps
- Sewer construction laser
- Pipe camera • Suction dredgers
- Sewer pipes • Tube lining
- Slicing and milling machinery
- Special machines
- Shear wall systems
- Compression technology

Shuttering systems / scaffoldings / concrete construction

- Shuttering systems
- Work scaffoldings
- Equipment and accessories
- Concrete pumps • Mixing plants

Communal and utility vehicles

- Anti-theft protection
- Tie-down • Tipper
- Flat bed trailers/trailers
- Transporters
- Equipment and accessories

12 December

Extraction / processing / crushing / screening

- Accessory equipment
- Drilling technique and blasting practice
- Conveyor belts / cover hoods
- Track-type excavators, wheel loaders, dumpers
- Cable and floating dredgers
- Equipment and accessories

Demolition technique / deconstruction / recycling

- Demolition machines/robots
- Hydraulic hammers
- Scissors/ tongs/ pulveriser/millers
- Recycling plants/separation technique
- Equipment and accessories

Special civil engineering / tunnel construction

- Processing plants • Drilling technology – horizontal/vertical
- Trench-free building
- Piling devices and pullers
- Special machines / vehicles
- Blasting • Support frames
- Propulsion technology
- Equipment and accessories

Waste management / environmental technology

- Processing technique/ separation technique
- Wood shredder plants
- Industrial and recycling handling machines • Machines and units

Maintenance / care / repair

- Filter technique • Wearing parts
- Machine and vehicle maintenance
- Mobile garages
- Lubricants and oils

Communal and utility vehicles

- Vehicle equipment
- Fleet management
- Dumper/ unwinder
- Trucks and superstructures
- Navigation • Garages
- Equipment/accessories
